MATINEE PROGRAM AT BRIGHTWOOD

Three Harness Events and Running Race.

INTEREST IN BANGTAILS

Kentucky Rose, Medium of Killing Last Week, Entered Again Tomorrow.

So successful have the recent matinees been at the Brightwood driving track that the management has decided to give them more frequently.

The next of the new series will be to-morrow afternoon, beginning at 1:30 o'clock. There will be three harness events and a running race, all in half mile heats, best two in three, for purses

mile heats, best two in three, for purses of \$50.

Because of the success of J. S. Cotton in pulling off his coup with Kentucky Rose in the running race on July 4 it is probable that the bangtails will be the center of attraction tomorrow. Kentucky Rose is entered again and should be a hot favorite, as she showed such excellent speed for the short distance in her last appearance. Owner Cotton thinks she is the goods and will have money to talk to that effect. Kentucky Rose Favorite.

Mr. Clark is picked by some of the wise ones to win the opening event.

L. J. K. figures as the probable favorite in the second race, with Temple Wilkes as a contender, if the Wilkes horse is in good condition.

The lively speculation on the Fourtin of July surprised not only the public but the bookmakers. It was found possible to get down good without changing the odds as they used to be changed in the old days, as the offer of a sum of any size would cause a drop in the prices.

Following are the entries for tomor-

The Corcoran Cadets defeated the Mar Dis baseball team yesterday the latter's grounds by 9 to 7, taking fourteen innings to decide the game. Emery Boyle started to pitch for the cadets and held the Maryland boys

cadets and held the Maryland boys down to one scratch hit in five innings. but Boyle had to give up in the fifth on account of the heat, Handiboe taking his place. Handiboe also held the supposed heavy hitters to one scratch hit in the remaining innings. The Corcorans tried out a new first baseman by the name of Reickenbacher, who was replaced by Boyle in the fifth inning. Boyle played an excellent game at that bag, taking care of fifteen chances without an error. Reickenbacher was released after the game.

Chism was the batter for the Cadets, making three clean hits, one of which brought in the winning run in the fourteenth inning. Shilling, for the Maryland team, also pitched a good game, but couldn't stand the heat and had to give way to Lacey. The Corcorans want to hear from all teams in the District. Address C. E.
